

## be.tex® Canvas Goya

Art.No. 04747-XXXX-60

### Description

Canvas Goya has been optimized: be.tex® Canvas Goya is an outstanding result. Less rigid than its predecessor, it is easier to place on canvas frames. The textile is also more scratch-resistant. The colours are more brilliant, which is especially noticeable in black. With be.tex® Canvas Goya your art prints will be even better. Important: Run a print test! Many factors influence the textile during printing and application. All technical data were determined according to the current state of measurement technology and reflect the values of the measurement sample. Despite the highest quality standards, there may be production deviations – all information are legally non-binding and without guarantee. - Not for sale in the USA -

### Main Application

Canvas

### Applications

Banner  
Canvas Frame / Art Reproduction  
Pop-up Displaysystems  
Wall covering

### Features

Good flatness
