

be.tex® RawTex FR

Art.No. 04442-XXXX-0026

Description

RawTex - sounds almost like a lion's roar, but this canvas just wants to play. It is so simple that it is suitable for countless applications, inside and outside. In the FR version with colour boost coating, the colours reveal their capabilities. Hold the textile in your hand and give your thoughts a kick. It's worth it and inexpensive, too. Also available as NON-FR version!
