

# be.tex® Ultimate Display FR

Art.No. 4280-XXXX-77-BE

## Description

The evolution of Universal Display is be.tex® Ultimate Display FR: It is even softer, even more lightproof and with a high dot sharpness. It turns images into real eye candy. Treat yourself and your customers to something good: opacity and dot sharpness. Important: Run a print test! Many factors influence the textile during printing and application. All technical data were determined according to the current state of measurement technology and reflect the values of the measurement sample. Despite the highest quality standards, there may be production deviations – all information are legally non-binding and without guarantee.
