

be.tex® Art Canvas FR

Art.No. 04231-XXXX-26

Description

be.tex® Art Canvas FR has a nice coarse canvas structure. The colour boost coating makes the colours even more captivating. be.tex® Art Canvas FR is great on deck chairs. Combined with a strong polyester belt you can create high-quality promotional bags in no time at all. Thoroughly treated, the printed textile can be carefully folded. Important: Run a print test! Many factors influence the textile during printing and application. All technical data were determined according to the current state of measurement technology and reflect the values of the measurement sample. Despite the highest quality standards, there may be production deviations – all information are legally non-binding and without guarantee. - Not for sale in the USA -
