

## be.tex® Green Revolution® FR

Art.No. 4435-XXXX-26-RECY

### Description

Based on the popular be.tex® Revolution® FR, the new be.tex® Green Revolution® FR is now available. The use of a GRS (Global Recycling Standard) certified yarn ensures an excellent, ecological footprint! With its fine structure, excellent crease resistances and high opacity, even detailed motifs can be perfectly reproduced. And in addition be.tex® Green Revolution® FR has two different sides: once glossy, once matt – always the perfect surface, depending on the application.

Processing tip: Use a thin needle and a longer stitch. Important: Run a print test! Many factors influence the textile during printing and application. All technical data were determined according to the current state of measurement technology and reflect the values of the measurement sample. Despite the highest quality standards, there may be production deviations – all information are legally non-binding and without guarantee.
