

G-Airtricot FR

Art.No. 03705-XXXX-0006-G

Description

G-Airtricot FR is especially popular for every beachflag shape. The oval hole structure makes the flag fabric more resistant and more permeable to air. The motifs are reproduced in the same way as on ordinary flag fabric. The holes are invisible from a distance of a few meters. bergertextiles also offers strong rubber edging for the tunnel edge. Important: Run a print test! Many factors influence the textile during printing and application. All technical data were determined according to the current state of measurement technology and reflect the values of the measurement sample. Despite the highest quality standards, there may be production deviations – all information are legally non-binding and without guarantee.

Main Application

Flag

Applications

Beach Flag

Flag

Features

Antistatic

No fraying

Soft

Transparent

Facts

Weight	105 g
Width in cm	100, 155, 186, 252, 260, 310
Material	100% Polyester / Wirkware / Knitted
L*a*b* Whitepoint	90,1*1,8*-8,9
StretchLänge	<1,5 %
Stretchbreite	< 1,8 %
Transmission	71
Shrinkage Length	< 1,4 %
Shrinkage Width	< 0,7 %
